Assessing Official Comments:

QUALITY: VIRE Consulting performance meets all of the contractual requirements and exceeds many, to the Government's benefit. The contractual performance of the vendor has been assessed and was accomplished with few minor problems for which the corrective actions taken by the vendor was highly effective. VIRE prepared all of the required technical documentation and reports, as requested, within the work and time outlined within the work request.

-I was not the COR prior to July 2017.

SCHEDULE: VIRE Consulting has done an exceptional job in keeping to the program on schedule. The Contractor has worked with the IRS project management teams which allows for on time or early delivery of all required products required by the IRS. The Contractor has worked cooperatively with the IRS staff and managers and has resulted in a positive impact to the program. This allowed for on time or early discovery of any component defects and prompted for speedy correction actions to be taken.

COST CONTROL: Not required Contract is Fixed Priced Task Orders

MANAGEMENT: VIRE Consulting has shown exceptional business relations with all customers during this period. The Contractor meets weekly with the IRS integrated project team members and managers and has a positive history of reasonable and cooperative behavior with all. They have evaluated the deliverables and initiated corrective action plans in a timely manner. The integration and coordination activities that VIRE has taken to execute the contract have been excellent. All deliverables have been on time with little or no errors.

REGULATORY COMPLIANCE: Assess compliance with all terms and conditions in the contract/order relating to applicable regulations and codes. Consider aspects of performance such as compliance with financial, environmental (example: Clean Air Act, Clean Water Act), safety, and labor regulations as well as any other reporting requirements in the contract. Consider questions such as the following:

- Has the contractor complied with all contract clauses and reporting requirements (e.g., FAPIIS, FAR Subsection 9.104-6, FAR Clause 52.209-9)?
- Has the contractor complied with Cost Accounting Standards and disclosure statements (FAR Subpart 30.2, FAR Clauses 52.230-2, 52.230-3, 52.230-4, 52.230-5, 52.230-6)?
- Has the contractor complied with the reporting requirements relating to recovered material content utilized in contract performance (see FAR Subpart 23.4)?
- Has the contractor complied with contractual safety requirements and labor laws (see FAR Subsection 22.407, FAR Clauses 52.222-4, 52.222-34, 52.222-20)?
- Perform engineering surveillance to assess compliance with contractual terms for schedule, cost, and technical performance in the areas of design, development, and production (FAR Subpart 42.302).
- Has the contractor complied with Hazardous Material Identification and Material Safety Data (see FAR Subpart 23.3, FAR Clauses 52.223-3)?
- Has the contractor complied with specifications or other contractual requirements requiring the delivery or use of environmentally preferable products, energy-efficient products, products containing recovered materials, and biobased products (FAR Subparts 23.2, 23.4, 23.7)? Monitor the contractor's environmental practices for adverse impact on contract performance or contract cost, and for compliance with environmental requirements specified in the contract.
- Has the contractor implemented an effective safety program; one which minimizes/mitigates potential accidents (FAR Subsection 36.513, FAR Clause 52.236-13)?
- Is the contractor complying with affirmative action and EEO compliance requirements (see FAR Subpart 22.8, FAR Clauses 52.222-26, 52.222-27)?
- Has the contractor complied with combating trafficking in persons (see FAR Subpart 22.17, FAR Clause 52.222-50)

RECOMMENDATION:

Given what I know today about the contractor's ability to perform in accordance with this contract or order's most significant requirements, I would recommend them for similar requirements in the future.
